

Calling all dads & moms....
have you been unsure about
where you can help with
Marching Band?

Well... we have two
opportunities just for you!
No Experience Required!

PARKING CREW

We have the opportunity this year to get paid \$200 per home football game to manage parking. We need approximately 5-6 people to direct traffic in the parking lot. Yep, that's it... just show the people where to park! No taking of money... just point!

This commitment would involve being in the parking lot approximately an hour before the game and staying there until half-time (which means you *might* miss the band's half-time show).

We only have 5 home games... August 20, September 3, 10, 24 and October 15.

If we can get 5-6 volunteers to take charge of this - that is an easy \$1,000 for the band!!!

Please let us know asap if you would like to be in charge of this or are willing to be a volunteer. If we have a lot of volunteers... you wouldn't have to work every game! If we don't get enough of you - we will have to forfeit this to another group.

PIT CREW

We need volunteers to be on the Pit Crew for all home games, away games and competitions.

Description: Must report at least 15 minutes prior to student report time. Assist w/ organization and transportation of band equipment from band room to performance field or from the trailer to the performance field during the marching season. Reverse the process after the performance. Responsibilities include monitoring the loading and unloading of trailers, parking the trailers when the students have finished unloading at the school and return keys to director.

Barry Ryan was the leader of this pack for several years, but has since retired his hat. We need someone to step up to take over driving the Rhino! It would be awesome if you would commit to helping every time, but we know that may not always work. Please let us know asap if you can help...! We will schedule a meeting with Mr. Jack to go over all the details of the Pit Crew's responsibilities.

PLEASE EMAIL OR CALL BY FRIDAY, JULY 30, 2010 TO LET US KNOW OF YOUR COMMITMENT TO HELP! shhsmusicclub@hotmail.com or Mr. Jack @ 615.972.4986
